The Lady:

Cherry is one sexy little minx! She has a very naughty smile that lets you know that you're in for a great time! She is about 5'4" and has the most amazing figure.

Antonia is taller at 5'8", she has some of the firmest tits that I have ever seen!

Both girls are absolutely stunning, with the most amazing bodies!

The Story:

I had been wanting to see Cherry for a while, when she announced that she would be doubling up with Antonia I knew that I had to see them both.

When I saw that my diary coincided with both of them working I phoned up and booked the first available appointment with them.

I turned up and was shown to a large bedroom on the ground floor.

I didn't have to wait long before I was joined, firstly Antonia came in wearing a very sexy one piece she looked amazing, she was followed in by Cherry, who was wearing a skimpy little dress. Both of them greeted me with passionate kisses.

Once the paperwork was out of the way, the girls started on taking off my clothes. Once we were all 'au naturel' Cherry told my to lie on the bed, Antonia knelt on the floor and started to suck my throbbing cock, while Cherry straddled my face and let me taste her sweet pussy. Then Antonia popped a Mac on and climbed on top of me and started to ride me, while I've still got Cherry sat on my face, I was able to catch a glimpse of Antonio's amazing body bobbing up and down from between Cherry's legs, then the two of them started kissing while I pleased Cherry and Antonia rode me.

Antonia then decided that I needed to do some work, she got on all fours and we started to fuck doggy style, and Cherry decided to make it a sandwich and I was the filling! Have her reach around and play with me while I fucked her friend was pretty damn awesome. I then said that I had to fuck Cherry (it would be rude not to!)

I lay back down on the bed and Cherry jumped on top of me, Antonia came and shoved her wonderful tits in my face and told me to suck them. So I have Cherry bobbing up and down on my cock for all she is worth with on of my hands feeling her amazing tits, Antonia's breasts smothering

me and my other hand is fingering Her pussy! I don't think life can get much better than this! Cherry's rode me until I came, we all then chatted as if we had just met for coffee (except we were all naked). Either of these girls on their own are amazing but as a pair the are simply astounding, one of the best punts I've had.
