The Premises:

Discreet studio next door to Cannon Street station. Bit intimidated to go in as it looked quite posh, clean and safe inside.

The Lady:

Looked just like her photos. Medium height, blonde/ platinum hair and massive breasts. She says she's 37, she looks about 35 and looks really good for her age. First escort I've seen that's answered the door wearing a dress, which was red and knee length and tight.

The Story:

Never posted a review on here but after a few 'meh' experiences thought I'd post about my first really good one. Comms were easy and she answered texts quickly. Got to the flat and was in no problem. Really stunning lady, a little put off by her thick Manchester accent but she was very friendly. Had a shower then a quick (nice) massage then onto the sex.

She was wearing a strappy black body thing with gold buckles and stockings. Loved every minute, she did everything (owo,toys,cim) and ended up cumming doggy style, then came again in mouth.

I'd definitely recommend her. Had a good conversation (she seems quite intelligent), said goodbye then left.
