The Premises:

Basement Flat Central London Near Baker Street. Cosy and inviting. Easy to find in discreet location.

The Lady:

Emma is a beautiful woman, whose appearance looks the same as though she is only 22. Her body as skin are beautifully kept and her figure is immaculate. She is eloquent, knowledgeable and amiable. Time spent with her is more like a "date" than receiving a service.

The Story:

I first encountered an interest in CP-Dom-etc., when I was caned twice at school in my early teens. Once by woman teacher and once by headmaster.

I forgot all about it when I married early and it went totally out of my head. I was widowed at the turn of the century and whilst I was alone old memories returned. I found Emma sometime later and her empathy with my needs was wonderful. When I go to London, about once a year, the high moment is a booking with Emma. This last meeting apart from basic "Dom. and Switch," was livened with unexpected toys and "A-play as well as girlfriend contact.

I desperately hope that the future will allow me the privilege of spending time with her again. As to time and money, She is generous with the first, and perfectly reasonable with the latter.
