### The Premises:

Comfortable, clean, well maintained venue, shower in each of three rooms and ample free parking adjacent.

### The Lady:

Jodie is a curvy, busty, pretty brunette. Lovely eyes and lustrous hair and filling out the Ego tunic which was straining to hold her ample breasts in check.

### The Story:

Jodie entered the room as I came out of the shower and looked so good as she slipped out of the tunic but leaving body stocking and stocking on. Face down on the couch as Jodie massaged my legs and back and head. A very gentle touch around my bum crease as she dripped oil there and used her fingers to good effect before sliding the hands beneath me to perform the reach under and stroking my cock and balls and gentle caressing the head of my penis which was just sensational. Oiled herself up and slid across my back rubbing those magnificent breasts against me before dismounting to stand at the top of the couch and rubbing her boobs into me. Turned over tout de suite and now Jodie just had her stockings on and showing the most exquisite landing strip I hade seen in a long time. Plenty of opportunities to fondle and stroke her fine derriere and she oiled her breasts for me to enhance my pleasure and made her nipples stand out as I rubbed and sucked them. Increasing attention now being paid to my cock and bum and after the application of more oil and a couple of outstanding tit wanks I came all over her breasts. Fantastic hour with a real gem.
