The Premises:

A private flat in a very quiet road. It is not an easy place to get to. It is stuck between Bexleyheath and Belvedere stations.

The Lady:

A Polish lady, probably size 10 to 12. She had natural, firm breasts maybe a D cup.

The Story:

It worked out well although I phoned Elecra who, if her pictures are accurate, has enormous breasts. I presume she works at the same address, but was probably busy with another punter. This is a massage/relief only service. The massage was performed on a low bed in a dimly lit room. The massage with oil was actually very good. It was sensual, but firm enough to relax you. She massages your legs, inside of your thighs, back and shoulders. During the massage soothing music is played. The relief was Ok too, but it is sometimes difficult to get girls not to grip too hard. There was a problem unfortunately with language, but if you want a relaxing massage this isn't bad.
