The Premises:

The place was clean and tidy place with plenty of parking nearby. I had no safety concerns on the short walk from the car. The bathroom could do with a little clean sorry

The Lady:

She is a gorgeous young lady with a perfect body as you can see in the photos, but even better in person

The Story:

I have been wanting to go and see her for some time, I finally got very very lucky and went to see her, and I'm lost for words she is gorgeous, so easy to get on with to, perfect in every way, a body to die for and her voice, I could listen to her all day,

I am sorry I will not go into too many details about what happened but I had the time of my life, I could have played with her lovely boobs all day if I could and to top it off her body was perfect in every way and so soft, I just couldn't help get lost in it, I felt like I won the lotto, I've been very lucky in the past in that I have found two beautiful, gorgeous young ladies to go and see, now fingers crossed I've found a third, how lucky can one person be.
