### The Premises:

HoD West London location, described many times already. A bigger room, with space on both sides of the bed would have been nicer, but, hey, you can't always get what you want.

### The Lady:

Two gorgeous ladies, one voluptuous, the other slim, all smiles, totally obliging.

### The Story:

I had the pleasure of Olivia's company about a year ago and had also read lots of nice things about Sophie. So when I discovered that they both were going to be at HoD 1 on the same day, it seemed to me a no brainer to ask if they were free - which, luckily, they were. I booked each lady for an hour, staggered by half an hour, which gave me some "private" time to catch up, and re-acquaint myself with Olivia, and ditto for getting to know Sophie a bit after the threesome. Olivia helped me time my first climax for just after Sophie entered the room, and what a thrill it was to be helplessly orgasming into the mouth of one lovely lady, with another - at that point a complete stranger - cradling my head and smiling into my eyes. Sensory overload followed.

Olivia and Sophie are absolutely lovely. Sexy, chatty, warm and kind. I strongly recommend them (especially to anyone who feels shy in these situations), both or singly. Thanks you two, you made a birthday boy very happy!
