The Premises:

Good location, with a receptionist to welcome you into a an extremely well kept premises.

The Lady:

The photos on the site are stunning but do not do Eve justice, she is even more gorgeous in real life. Beautiful face, seriously stunning with a tanned body that is perfect. She has fantastic tits, amazing legs, an extremely sexy arse and the perfect shaven pussy which is mesmerising and tastes like no other.

The Story:

I was welcomed by the receptionist and offered a drink to settle my nerves before meeting Eve. There was no reason to feel nervous, because as soon as I met Eve, I was made to feel at ease by this absolute goddess, who is extremely intelligent, attentive and funny. After taking the time to listen to my desires and requests I was led to a well equipped room to begin my fantasy. Eve surpassed all my wildest expectations. She delivered on all my requests and desires beyond what I could of imagined. She wore the outfit I was expecting and instantly my cock wanted to burst through my pants. She then began to work her way through my fantasy and desires, firstly starting by spanking me with her bare hand, with my cock firmly between her luses thigh. As she realised I was rock hard, she then proceeded to tie me to the cross and demanded that I satisfy her first with my tongue, and enjoyed me going to work on her beautiful arse and perfect pussy with my mouth until she was completely satisfied and orgasmed. With her pussy dripping wet, she led me to the bed and instructed me how she wanted to be taken in various ways, before eventually allowing me to explode with her mouth firmly wrapped around my hard member and her beautiful honey tasting pussy dripping in my mouth! An extremely amazing experience with an intelligent, humorous and kind beauty! Dreams can come true and I can't wait to be back in London to visit this gift from heaven! You are a superstar Eve! See you soon x
