The Premises:

Hush been reviewed many time on here. Easy on street parking, always spotlessly clean with spacious rooms and showers.

The Lady:

WOW Hush have done it again!! Tia is absolutely stunning. A real pocket rocket at less than 5ft I would say. Gorgeous eyes, fantastic curvy body with just the perfect pair of boobs and bum. She has an infectious personality, really down to earth and easy to get on with without being too chatty until the dirty talk comes out at the end!!

The Story:

Saw Tia was a new girl on the rota so thought I would give her a try as Hush never ever let me down and I wasn't to be disappointed this time either. Tia greeted me in her black tunic that barely covered her perfect pert bum a sight to behold as a first impression. I jumped in the shower and Tia shouted through 'don't be too long, I want you enjoy as much time with me as possible'. Tia then led me to the spacious room and asked me to lay down on the professional massage couch. She removed her tunic to reveal the most perfect body which I could see from all angles in the various mirrors positioned in the room. Tia then gave me the most amazing sensual massage on my back with the occasional touching of my balls just to tease. She then oiled her body which I could see in the mirrors and started to give me body to body which will live with me forever. She knows how to position herself so you get some amazing views of her open pussy lips in the mirrors. At this point I was at the point of no return and I think Tia could sense this so slowed everything down a notch so I wasn't to finish too soon. I was then asked to turn over and once again Tia oiled up her own her body and boobs and slid them up and down the little fella, shew also encouraged me to play with her perfect boobs, I was very very tempted to ask if I could play with her gorgeous pussy but declined for some reason (maybe next time). Plenty of teasing and edging of the little lad until she brought me to an amazing climax whilst she was sliding her pussy up and down my leg!! All in all a fantastic experience with a perfect little gem. Well done Hush for finding this beauty, you've excelled once again!
