The Premises:

Work flat, good neighbourhood, easy walking distance from Earls Court tube. Clean and fit for purpose. Nice bedroom and highly equipped "Punishment room" with punishment bench and huge selection of implements.

The Lady:

Pretty girl. Curvy, not skeleton like. Big natural tits with lovely nipples. Very attractive cunt. Photos pretty accurate though you can't see her pretty face properly in them.

The Story:

I have seen Emma a few times after I changed to her when a previous girl who also worked at the location that I used to see gave up escorting. She is always friendly helpful and I'm guaranteed amazing dirty sex, BDSM activity and role playing worthy of an Oscar. I booked in advance and emailed her my role play idea a few days before. My ideas are usually quite complex, but she always has them down perfectly. I am into BDSM both ways round i.e. being in charge or having the girl take charge of me. I have found Emma to be brilliant either way. Don't think that because she's called "Submissive Emma" that she doesn't also make a brilliant Mistress. Whichever way round you like it, you won't be disappointed by Emma. This time she was in charge. The role play involved me being a young supermarket worker who had missed some out of dated chicken. She was poisoned by it and I was sent to her place to apologise and be "Punished." I was ordered to strip naked. Punishment then involved clamps on my nipples, me taking 60 strokes with a paddle and 20 with a thin stingy cane to the bare backside and she then fucked up the arse me with a strap on. We then went to sex including me licking her out, intercourse (protected of course) and finishing with her wanking me off. As usual everything was to perfection. If you are wondering about the other way around I know from experience she can take a good hard spanking. Advance communication/booking is always easy and efficient too. I will be back!
