The Lady:

Perhaps I shouldn't write this, because she's already left London... but has promised to return.

Pure Oriental fantasy girl. Not the girl in the photos but something much much better. I'm always a little disappointed with the quality of Asian girls in London, but here was that big breasted Japanese school girl of my dreams.

She's Russian with a Japanese heritage, and said she spoke no Japanese. Here in London for a short spell to improve her English. She wore a little black dress and stockings. Aged 21 with an amazing figure, beautiful smooth skin, very pretty, lovely personality, intelligent and great tits. You're right I was in love.

The Story:

After a shower and papers, she kissed me like a girlfriend who was trying to seduce me. Long and slow. I had a wonderful hour naked on the bed with this beautiful creature. I would have loved to taken her out for dinner or to show her London, but I didn't have the time.... and she was too polite to say if she had other bookings.

Anyway... my heart will be broken unless she's back soon.
