The Premises:

Charm's basement flat is located on a quiet side street near Earls Court Station. Parking took a while, most bays are residents only until 10pm. Charm has made her flat really homely with lots of cuddly toys, decorations, and even an indoor garden! Shared bath available on request.

The Lady:

Charm is all personality, friendly, sweet, smiling, cute, endearing, a genuinely lovely person. She isn't quite as petite as many Thai ladies, but still only a shade over 5 feet at a guess, but it doesn't matter as her personality is infectious and her oral skills will ensure you concentrate on very little else!

The Story:

We enjoyed a beer together over a relaxing conversation to get to know each other (her English is excellent) then Charm ran a nice hot bubble bath which we shared for a few minutes while continuing the chat. Once back in the bedroom we enjoyed a very gentle, affectionate time together with lots of oral, massage and some kissing, but less than I had hoped. A rare but very nice touch at the end was she stayed at the door waving goodbye until I was back up to ground level outside and onto the street, blowing a kiss and hoping to see me again soon.. I probably will.
