The Premises:

A flat in really nice location. Good facilities, clean and homely. A definite improvement on her last place in Bayswater.

The Lady:

She is really good looking. The best likeness of her are the selfie pictures on the Asian Options site. She's petite and has a lovely slim figure with a very well done enhanced chest. She's up there with some of the legendary Thai girls of days gone past.

The Story:

3rd visit and still a fabulous experience. I requested the gold lingerie seen on her profile and was not disappointed with the sight that greeted me upon arrival. She is really attractive and with a figure to die for. As with my other visits there was a slow build up to a fabulous ending that really suits me. Lots of DFK, stroking, oral for both before an intense session that was mainly cowgirl. The sight of Tracey riding me with some of her lingerie still on in the full length mirror, was a sight I won't forget in a hurry. She was really friendly and gives off the impression of being really classy, beautiful lingerie, expensive perfume etc. In that respect she reminded me of April from a few years ago. She's a treat a first class GFE that I hope to repeat again soon.
