The Premises:

Quiet location just off the street. Had to park 5 mins away so no problem really. There are always a few girls getting changed so normally quite interesting walking in.

The Lady:

Her photos are a great likeness. She has the best kissable red full lips, her boobs are a perfect handful and she is clean shaven.

The Story:

I've been to Mke a few times and met some really nice girls. This girl however was something special and when she asked if I could write her a review, I knew I couldn't refuse. I'm a virgin to writing reviews!

She came into the room and as soon as I saw her I knew I wanted to see more so I changed from 30mins to 1 hour. I wish it was longer. We exchanged the paperwork then we got on the bed and explored each other passionately for our duration together. She tasted like heaven and the sight of her enjoying my oral skills is something I won't forget in a hurry. We fitted together really well and enjoyed sex in several positions, nothing was a problem for her. A beautiful girl with an amazing personality. I will definitely like to see her again. She needs to remove the lipstick from me next time tho x
