The Premises:

Gated entrance to the place, quiet surroundings. I got off the bus and after a 5 minute walk I was at the Erotic studio. Small room that was warm and well suited to what was about to take place. I was offered a drink by the house madam, standard operation throughout.

The Lady:

Older lady 40 give or take and 5 foot 5 or thereabouts size 16+ enough to grab hold of. Plenty of tattoos and she had fake boobs. Long hair, she was freshly showered and was quite friendly.

The Story:

Sarah being the only one available so she is the one I went with. The other 2 were busy, I might not have picked Sarah if I had seen the other 2. After sorting out the £60 she left to stash the cash; Sarah strutted back into the room and started kissing me. Although this was enjoyable I couldn't help feel she was probably at the end of her game and wasn't really into it. She undressed, her boobs are fake, you can see the marks quite obviously, again this was disappointing. Oral without was better as she dropped to her knees and got to work on me. Good technique and I would have been happy to finish the booking in her mouth. I had paid for sex and oral without so next on to sex. I opted for doggy and put the rubber on, fucking her from behind with gusto and after a few minutes I filled the bag. Some small chat, we just did not click, I guess buyers remorse, she looks better with her clothes on. Too much heading south for my liking and she has a bit of a podgy tummy. Nice enough girl, not for me a second time though.
