The Story:

I have been punting for 30 years and Kate is one of the best ladies I have encountered. I don't usually write reviews, but now I've got my breath back, I just felt I had to today, even though it means sharing with all you other readers!

A mature, tall, curvy, English escort with an immaculate accent, Kate is a great conversationalist, always with a naughty glint in her eye! Having kissed erotically when I walked through the door and (briefly!) caught up over a glass of something, Kate was quick to move on to satisfying my other needs. Kate is an experienced horsewoman and it certainly shows at the gallops: it's hard to keep up with her lusty style. Her energy is tempered by great skill in all the bedroom arts. She is expert at exciting and teasing, ensuring that I got the most bang for my bucks.

This Northern lad can't get enough of Kate: elegant; enthusiastic and extremely erotic. Highly recommended!
