The Premises:

Manyana is a short walk from Selly Oak train station, up the hill, opposite Sainsbury's near enough. Gated entrance around the rear of the building, it backs onto a car park. Felt secure and no problems finding the place.

The Lady:

Maturer lady, late 40's and a size 14, 5 foot 6 or thereabouts and has blonde shoulder length hair. A little bit of a flabby gut but playful personality and giggles a lot rather cute to be honest.

The Story:

3 girls working, 1 was busy, it was between Joy and a rather loud Asian American women, Joy was chosen because she was bustier and less annoying. Paid £65 and lead into a room at the top of the stairs just by the kitchen area.

Room was warm and smelt fresh, freshly laundered sheets made the place inviting. After paying the £65 and agreeing oral (with) and sex. Only light pecking for kissing, no full on tongue treatment, Joy stripped off and lay on the bed naked, getting to work on herself and moaning seductively. More light kissing and lots of fondling, her wanking my cock before kneeling between my legs and putting a condom on me then looking up at me sucking away for all she was worth.

We stayed like that for a good few minutes before I got the urge to cum. Stopped this, bent her over on the bed and inserted a finger or 3 into her to make her moan and squirm and telling her I was going to fuck her. She was nice and wet, got into doggy position and I slid into her easily, thrusting away for 5 minutes before the urge to cum arose again. This time I never stopped, just carried on thrusting away and holding onto her hips for dear life. I filled the bag and lay down on the bed next to her. 10 minutes of the booking remained. Small talk ensued and after she disposed of the condom she cuddled up to me and we spent the remainder nattering away about nothing in particular. I enjoyed Joy's company and would see her again.
