The Premises:

Initially had some confusion as I was given the wrong address and looked like a bit of a knob standing in the middle of Queensway. But it was resolved quickly!

The Lady:

Very petite and small. The Pictures are really nothing like the pictures online. Personally she looked much better in the flesh. asked for a PSE with deep throat and anal. Requested she wore the black outfit and high heels. (as per website)
Flat was very tidy and neat.

The Story:

On meeting Anita she was wearing the black outfit with the dog collar and high heels with slutty fishnet stockings. I handed over the money to her and asked where the shower was. Im not one for assist showers and had one on my own. After getting dried I went to her room and we started kissing nice deep french kissing followed by licking my nipples as she was looking up at me. she then directed me towards the mirror when she started to give me the most awesome blowjob! She went down deep and sloppy letting me hold her head and facefuck her she kept good eye contact and loved it when I was calling her a dirty whore! she was making all the gagging sounds holding her hands behind her back and getting deep in her mouth. I then continued to fuck her mouth harder looking in the mirror as my cock was covered in her saliva! Then I told her to get on the bed and I lied down on my back an she continued to suck me off licking the tip of my cock and then going down deep gagging on my cock. Then I said I wanted to fuck her and she got on top of me riding me (covered). I then changed positions with me grabbing her ankles pacing them over her head and fucking her deep. said to her what a fucking whore she was and continued to pound her. I then changed position and shot my load!

took off the condom and put on another one and fucked her tight arse! I gave this little slut such a hard fucking up the arse whilst grabbing her small hips as she was moaning telling me to fuck her harder! She then got her toy out and was playing with her pussy as I continued to fuck her tight arse!

I told her I wanted to cum on her face and she laid on her back as I straddled her and she licked my cock as well as taking it deep in her mouth. I pulled out of her slutty mouth and shot a massive load on her face letting me rub my cum all over her face!

this lady is the most filthy slutty escort I have fucked in many years. She loves to fuck hard and takes a good pounding in all her holes.
