The Premises:

A very well located parlour, easily accesible. As usualy, all facilities on offer are of a very high standard.

The Lady:

I've seen Tyler many a time now. She's a gorgeous young English brunette (very "girl next door") with a very bubbly, chatty personality. Very open and happy to make her clients time in her company the absolute best. 10/10.

The Story:

I won't bore you with the details, but suffice to say each visit to see Tyler is special, and this was no exception. The only real problem is that the time passes ridiculously quickly when we're together (something Tyler still finds surprising after god knows how many visits)

Much of our time shared involves casual conversation, with some cuddling and kissing and/or reverse oral (my favourite - and Tyler always responds to it very well!)

All in all, another wonderful 45 minutes. Hopefully a longer session next time.
