### The Premises:

Nice little flat in the Warren Street area. Cosy enough, and easy to find. Reasonably good shower facilities etc.

### The Lady:

Ella is older than she looks in her pictures, she's very pretty, and she has a nice figure. Enhanced boobs, slim and very sexy. Her English is not great, but good enough to communicate. She was friendly enough but seemed tired and a little off.

### The Story:

Ella was dressed in some lovely white lingerie and stockings. She looked great. She hadn't put on makeup however, and could probably have done with some because she looked tired. She was very nice and greeted me with a kiss. She wasn't passionate like the other Thai girls I've seen from Asian Selection however. In fact, throughout she seemed reluctant to kiss passionately at all, and avoided it.

We started off with OWO, which she gave me on her knees and me on the edge of the bed. She was very good at it, and it was really enjoyable. She stopped however and we moved to the bed. This is where things started to piss me off. She kept getting messages and her phone kept ringing. She didn't switch it off and she excused herself to leave the room and talk to her flatmate. She came back and apologised to me, explaining something about her friend losing his phone and her having to take messages for him. However, as we progressed he began to shout to her through the door and wall, and she replied to him. It was very off putting to be honest.

I basically finished quite quickly because I wasn't very impressed. She seemed to have a nice time though, and actually came with me inside her, after I'd finished. I almost felt like charging her for my services!

The end of the booking was arguably the best because she gave me a very good traditional Thai massage. When I left the shower, I discovered that the guy who was talking to her all this time was actually a transsexual, and the messages were perhaps bookings for him/her. This wasn't very professional, and even very nearly bumping into her flatmate wasn't very professional either. I was

disappointed with the booking and not what I expected from Asian Selection.
