The Lady:

Described as "I'm a petite British girl, fair skin with blue eyes and natural rapunzel style locks. Petite in frame and height, but not in personality. An academic by nature, with an entrepreneurial streak, as well a slightly wild, uninhibited streak. I'm a bit of a dichotomy. I enjoy attention, yet crave solitude. I can be equally and simultaneously outgoing and reclusive. I am enthusiastic and confident, but also somewhat reserved and composed. I'm articulate, fit and independent. I know what I like and what I want."

The Story:

Deposit scam. Took £50 deposit then cancelled an arranged meeting, then failed to respond to any contact.
