The Premises:

Very tidy, but small studio apartment, entered via exterior security door, over which I had some confusion, but eventually found her on 1st fl.

The Lady:

WYSIWIG, Suzy changes her images quite frequently, so they are up to date and she does look just like her pictures, very slender, with mischievous dark eyes, what did surprise me is that she is quite tall. But she is stunning in my view.

The Story:

It was a foul wet day and I arrived a bit flustered, but Suzy gave me a welcoming kiss, after which I requested a shower to freshen and warm me up, which I took in the small shower room. When I had dried off it was time to get to know the delectable Suzy, she was wearing black hold ups, with see through bra and panties. she started kissing me and we lay on the bed, she kisses gently and tenderly, maybe not passionately, but delightfully. She took off her bra and I started to enjoy her nips which really puckered up after a little attention. I found my way down to her sweet clean shaved pussy, having pulled off her panties, which I enjoyed with my tongue.. When I eventually came up for air we resumed the tender fondling and kissing, I was allowed to use my fingers on her pussy. Now Suzy started to give me some oral attention - it was sensational, deep and tight, for guys who are more sensitive, I think they would have problems holding back. On with the hat and some cow girl and then mish. Now I am a old guy and the equipment often malfunctions, which sadly it did on this occasion, but I still loved being with this delectable caring lady. I'd love to see her again
