The Premises:

Her place is easily found from the station , down in the basement , stairs outside, long corridor to room , took time for her to get to door , bedroom was large , comfortable bed , with many mirrors . Bathroom was small , bat available but not offered on profile , shower in bath , hot water , and soaps available , no sharing of shower offered

The Lady:

Mimi is a stunning young Asian , beautiful body , especially dress as a school girl , perky and sensitive tits , no great kisser , no Dfk offered , had used mouthwash in bathroom , She helped with undressing but waited until on bed to start fun , she seemed in a hurry I like to take my time and share the experience , quick lick of my nipples then down to him , no rimming as advertised, BJ was good but had a lot better , on with cover , good fun , , decided to finish with head and spray over her body , massage was not great

The Story:

Overall good , would I go back no
