The Lady:

First impression - WOW - a blonde stunner in a black holey dress(?) with black scanties. Details on web-site - 28, 5'8", size 8 all believable. But 34C ? I would think D going on DD, natural, so slightly floppy - a tit-man's dream. Maybe the pics. have been slightly improved, but in the flesh Isabella is beautiful with a slim but curvy figure, and a lovely face.

The Story:

Isabella's cheery personality shone through. She seemed relaxed, cheerful, chatty, went along with what I suggested (only vanilla stuff), happy with DFK. She was happy to keep on giving oral as long as I could take it, and did a great job. (My choice - OW and no RO on a first date). Finished with mish and time was running out. Already looking forward to OWO and RO in a longer session. I think she will be going on my A-list.
