The Story:

I have seen Jess 3 times before, either on her own, or as part of threesomes, so knew what to expect... but was still blown away by her beauty.
My first time seeing Jamiee, but DEFINATELY not my last, as she is equally stunning, and just as incredibly fit as Jess.

There is not an ounce of fat on either of these 2 girls, and both had lovely tans too.

Started off standing with a girl either side of me kissing and fondling each other before all stripping off and becoming more intimate on the bed.

Before long, I was very much enjoying both girls giving me oral without, which looked and felt absolutely amazing.

After a while, they alternated between kissing me and taking me in their mouths, which really brought me to the edge a number of times.
Next was the sight of feel of Jess riding me with Jamiee kneeling up alongside her so that I could see both of them in all their glory whilst enjoying the feel of all 4 of those magnificent, firm breasts in my hands. Once again I had to slow Jess down before I popped.
After a while, we swapped and it was Jamiee's turn on top with Jess kissing me and rubbing her breasts over my face.

Well, there was no holding back this time, and I finished strongly inside Jamie.... total heaven!

The last bit of time was spent laying chatting to them both with them either side of me on the bed.

Throughout it all, both girls were extremely chatty, fun, and flirty.

This is the most relaxed that I've ever seen Jess, which indicates to me that she enjoys, and is comfortable, working with Jamie.

I had an incredible time with these 2 beautiful young ladies, and can absolutely highly recommend them.

Thank you so much girls, and also an extra thank you to Jamie for your lovely compliments about my eyes and their colour.... So kind!
