### The Premises:

Well-known premises on Henrietta Street, which boss Shannon maintains with a careful eye on security (buzz-through steel barred gate, etc.). There are four nice rooms, plus the girls' room and kitchen. We used one of the small rooms downstairs which were built into the huge rambling space that was there until comparatively recently.

I must mention (it is always a joy) how good it is to meet up, again, and chat, with Saturday receptionist Elaine, whom I have known, in one place or another, and one way or another, for over twenty-five years now. Neither of us knows where these have gone, but she makes a nice cup of tea, which I drink while exchanging memories with her.

### The Lady:

From the Czech Republic (and not Hungarian, as I read on another, poor-quality site recently), although her English is really good; and, I would say, in her late twenties / early thirties. Michelle is a curvy, proper-woman type, with good firm boobs. Although she has a slight tummy, this, to me, just adds to the sense of her being a curvy, womanly, MILF. It's all nicely firm. Apparently, she also works, as Alex, at At Your Service, but does Tuesdays and Saturdays at The Studio.

### The Story:

I first spoke to Michelle when she picked up the 'phone a month or so ago (while the receptionist was otherwise engaged), and I thought, then, that she sounded really friendly and helpful. It turned out that I was not wrong! In addition, I'd actually met her when I visited The Studio to enjoy her colleague(s). This was my second session with her. She really is anxious to please, and delivers a cracking GFE, replete with DFK and OWO. However, the thing which stands out about her is her lovely vulva, beautiful pink nether-lips, and how wet and juicy she becomes when played with. I know that it's often wishful-thinking when we report that our WG partner seemed to enjoy it, but I can honestly say that, in a long and active life, I have never known a woman to produce anything like as much juice as did Michelle. As she remarked afterwards, "we seem to have made quite a mess, haven't we?" After the main event, wherein I finished with a hand-job load on her belly, a quick light massage, and then happily on my way.

She tells me that she does a good two-girl with Elizabeth or Kandi (see previous review, and both of

whom work alternate Saturdays), so I am looking forward, very much, to enjoying one of those two pairings during the next fortnight. All three woman make a fabulous short-term girlfriend, so I am counting the days.
