The Lady:

A truly natural beauty. It looks exactly like she does in the pictures and she has an unreal body. It's safe to say I was blown away by her appearance.

The Story:

This girl is gorgeous for sure, and she does have some exceptional skills in the sack. She gives great OWO, which she gave to both start and finish and must've read the Kamasutra from cover to cover 'cause she was coming up with all sorts of bizarre positions. Nothing beats the basics though, and doggy prevailed as the favorite position of the night. My only slight issue was that she didn't want to stick to one position for a long period of time. She would want to switch it up fairly often, but she put a lot of effort into making each position feel as good as possible. Id say she's worth another visit for sure!
