The Premises:

As described in plenty of other reports.

The Lady:

Strikingly attractive, 20 something brunette, Latina in appearance but reportedly Eastern European, above average in height but not too tall, head turning model-like in appearance both facially and physique, perfect body with medium to large breasts, totally shaved, profile photos on HoD website provide an excellent indication of what she looks like.

Comes across as a genuinely nice person, speaks virtually perfect English and is chatty and easy to talk to.

The Story:

I'd seen Gabriela once previously, in October 2017, and had a really good time. I obviously didn't make any impression on her as she couldn't remember ever seeing me before.

This time the experience was truly amazing. So much so that within our first few minutes together, I felt compelled to extend my original 45 minute booking to an hour. This was, as things turned out, an excellent move.

She pressed the right buttons to fire me up quickly and keep my arousal levels on high revs throughout our time together. This involved plenty of extremely enthusiastic dfk and owo and the licking and kissing of most of my erogenous zones. I couldn't have hoped for a more willing and passionate partner. It came as no surprise whatsoever that the cim finale was an extremely powerful one.

This encounter will go into Confuscius's punting annals as one of the most memorable ever for reasons best kept to myself.
