The Story:

Met Morgan before when she worked out of temptations but this is a different Morgan she seems more happier. Started of with some Kissing and she makes you feel relaxed and at home. I touched her pussy and began to play with her clit rubbing gently I felt her tense up and there it was the reason for the name Morgan Squirts. She came 3 times within a minute squirting each time wow then it was my turn she sucked my cock like she was starving after I came she said your cum tasted sweet Dark fruit all weekend helped lol. Anyway great punt friendly girl I can highly recommend but treat her well as I think she deserves it.
