The Story:

I'd rung with little notice and there were nearly all the girls available, which probably says something about how much people are going out. Shame. I'd noticed Pricilla on the website and as soon as her name was said as available, I was in the car moving.

She entered the room and I was completely taken aback. She is totally gorgeous. Dark eyes to go with the dark hair, pretty face and lovely body.

We stayed standing for a while, and she was clear on where my hands should be and I had no complaints. I was naked and she got undressed during this time. She then dropped to her knees and got to work on me. Once ready, she positioned me behind her as we stood facing the mirror. Over too soon, but SO good!

She tried valiantly for a second round, but I'll need to come back for longer.

I've never had a bad trip to MKE, but this was the best time.
