Nice location

Very clean

The Lady:

About 5ft 4 ish

Slim petite

Lovely standout breasts that are not too big but scream suck me

Cute peachy arse

Loads of tatoos - I'm not a fan but they are well thought out and look lovely on her body

The Story:

Arrived to see this beauty dressed in HOT pink

High heels on so her boobs were stand out and when she turned around so was that peachy arse

She asked if I had been before and what I liked

Got the paperwork out the way and she proceeded to message the weapon

Very considerate - asked if I was sensitive and where lol

Very beautiful girl (I must say the tale of Andie is one of procrastination- for some reason I never felt the urge to see her and would always opt against the visit)

Today given the day I had and what was on option I said do you know what I'll see her why not.

Once she got to polishing the weapon I was like I knew I made the right choice picking you and she smiled

She was deep throating and totally involved.

My turn to taste her crown jewel - she said I can tell you have had a lot of practise you know all too well what you are doing down there with a cheeky smile

She caressed my head and moaned with delight until it became all too much for her to contain

On with the sleeve

As I entered she breathed a sigh of pleasure. To work we went
Reverse cow girl was my favourite
She then switched so I could kiss her good DFK

a little kiss before inserting the piece for doggy style - bust my load and we were both smiling
30Mins well spent

Andie suggested my new cold name when booking here so she knows it's me lol (will b using it
next time Andie ;))

Thanks for a great time, not rushed and I wish I had taken so long to book you (don't worry that
shall all change from now on!!)

Great punt A+
