The Premises:

Discrete type close to Victoria Station. Clean and tidy. Lovely maid helped with everything.

The Lady:

This is my fourth time with Scarlett, and I can just say that she gets more and more beautiful each time. She's classy, fun and really knows how to make a client happy.

She is just perfect.

The Story:

As per my request, Scarlett entered the room wearing nothing but a pair of black high heels.

My cock got rock hard just to see her beautiful landing strip, her perfectly shaped pussy and her amazing tits. This woman is a walking piece of art!!

After quickly arranging the paperwork and admiring her beautiful person, i asked her to go down and suck my cock, which she did with amazing skill. There is something about Scarlett that can be put into words, you need to experience it. It just feels good to be with her.

After a couple of minutes with my cock in her mouth I decided that I couldn't wait any longer and I asked her to sit on my cock. Fuck, she rode me like it was the last time she was going to have sex ever, while I suck her tits and grab her soft and pale ass. After a while, I wanted to go on top, and she laid on her back while spreading her legs wide open - heels still on - and displayed her beautiful pussy. When you fuck Scarlett, you never forget how tight her cunt is, this whore has the most perfect twat in the world, and I came after like 30 seconds.

Since we still have some time, I asked her to remove her heels so I could kiss them. I love her feet, and her legs are just magnificent. It didn't take long for me to get harder again, so on with the

condom, and I fucked her
in the same position again while sucking her toes.

Next she stood up, got on her heels and I fucked her from behind while holding her super skinny waist and while I felt my balls bouncing against her landing strip, which after a couple of minutes made me cum even harder than before.

The remaining of the time I spent it eating her pussy. I wish she would let me eat her ass, because it looks just delicious.

Best whore in London!
