### The Premises:

Well reported former coaching house, abundant free parking adjacent, very clean, well maintained, and impeccably managed by the ever so hot Millie.

### The Lady:

Exceptionally attractive petite busty blonde resplendent in black lingerie and hold ups. The perfect 'pocket rocket'.

Have seen Tia fully clothed before and thought wow, but now wow wow wow.

### The Story:

Millie showed me to the room and explained that showering and the use of an anti bacterial hand wash were required, no problems at all with that. Tia entered just after I emerged from the shower and both me and mini me were very pleased to see her.

Started face down as Tia started to massage my back, legs and bum and checking that I was happy with the strength of massage. Very friendly and personable lady as I soon discovered. Tia gently brushed my bum and shaft with her hands as she used increasingly more and more oil on my nether regions doing several reach unders. Tia oiled her front up and climbed on top of me, brave lady, and slid all over my back with her smooth soft body and I could feel her erect nipples rubbing against me and see her gorgeous bum and pussy in the horizontal mirror. Turned over as Tia positioned herself at the bottom of the couch oiling up my hands and her boobs and encouraging me to stoke and rub her bum and breasts which I did as she slid across my front teasing and caressing me and maintaining eye contact throughout. Nearly time for the grand finale after a couple of sublime tit wanks as Tia poured copious amounts of oil over my cock and wanked me to a very messy conclusion. An excellent hour with a very sexy and talented lady who knew how to press all my buttons. Will be back for more very soon.
