### The Story:

First, Tania is amazing. And we both had an great time. Highly recommend. And look forward to returning to London to visit with her again.

And yes, they are real and spectacular. :)

While in London, I pre-planned two similar dates, both were amazing, Tania was the 2nd one.

I took a chance and booked a 12 hour overnight date. 6pm-6am. After introductions at my hotel we left for a night at the theatre to see Wicked. Then a late dinner at Sexy Fish. Back to my hotel for various desserts shall we say. We seemed to click well. Felt like two long time lovers having a great date with great sex to cap it off. Tania was very excited, because this was her first trip to the theatre in London - and she loved every moment.

I look forward to returning to London and will plan a similar date then as well. Extended dates are always so much more fun! I also want to thank the team at Babylon for helping to connect me with Tania for this date, you were very patient and helpful.

Additional note ... if you have a chance, plan an extended date with the ladies.
