The Story:

While in London, I pre-planned three similar dates, the first lady cancelled without arriving 15 minutes after the planned start. Sia was the next planned date and she was right on time and it was a great start to a great night together. A third planned date with another wonderful lady also went well. 3 planned. 2 actually happened.

I took a chance and booked a 12 hour overnight date. 6pm-6am. I had never done that before. And was nervous because the first planned date with another lady 2 nights earlier cancelled last minute on me. So I ended up going to the theatre and dinner alone. Not a good start ... but Sia helped me to forget about it quickly.

Sia not only showed up on time, but almost left me speechless when we met. She is amazingly beautiful. After introductions at my hotel we left for a night at the theatre to see The Lion King. Then a late dinner at Scott's. Back to my hotel where she showed her appreciation. We seemed to click well. Felt like two long time lovers having a great date with great sex to cap it off. Sia was very excited, because this was her first trip to the theatre in London - and she loved it.

I look forward to returning to London and will plan a similar date then as well. Extended dates are so much more relaxing, unrushed and fun! I also want to thank the team at Turn Love for helping to connect me with Sia for this date, you were very patient and helpful.

Additional note ... if you have a chance, plan an extended date with the ladies.

Yes, these extended dates take more long range planning. Purchasing theatre tickets in advance, booking the ladies 1-2 weeks in advance, finding restaurant reservations for late night dinners after the theatre - not as easy as one may think. But well worth it.
