The Premises:

Standard, yet tidy and clean apartment (should hope so at times like these! lol). Usual facilities and in an easy to get to location also.

The Lady:

Great looking girl. Incredibly tidy body and striking facial features. Not my usual taste but i was very happy with her appearance for sure!

The Story:

I requested she wore the little outfit in her profile picture, that's what caught my eye in the first place so i just had to see it in person! Her lips felt great around my appendage. She impressed me quite a lot with her oral, up there with the best of the bunch. We didn't go through the book of kamasutra like i normally like to do, just a few basic positions really. Still enjoyable though! Had a good time, lovely girl but fairly quiet. Would recommend if you're into OWO, that was a particular highlight from the booking.
