Brunette, slim late 20s, pretty face. Very personable, chatty, passionate.

The Story:

Morgan has been on my hit list for well over a year. I was abroad when I first spotted her so no opportunity and by the time I got back to Blighty she had stopped working. I see she has done a little bit of porn see Nerd Pervert. I was thus very pleased to see her return to the industry from Civvy life.

Showered and paperwork sorted. Morgan greeted me and said hello she seemed genuinely pleased to see me. I'm not the worst looking or oldest punter to be fair, but I never usually get such a happy greeting unless it is from a regular or repeat lady. She lay down next to me and started snogging my face off DFK to the maximum. She then moved down and gave me some great OWO. Rubbed up. She then mounted me and gave me a good hard fucking. My dick is larger than average, but no complaints. She then squirted on my dick. In my decade of punting - all my adult life never felt anything like it. Great feeling! I then got on top and pounded her she squirted again on me whilst I held her down. She then gave me some more OWO interjected with some lovely DFKing. I then came very hard in her mouth. She swallowed it all! Then we had a cuddle and a long chat. I won't go into any details, but we have lots in common. Lovely lady, very passionate, felt like she really liked it/her job/gives a very good service. Highly recommended!
