The Premises:

Based in the Hub, Nicola's flat was easy to find. Clearly recently decorated, very nice and exceptionally clean.

The Lady:

Nicola is as per her pics, around 5ft6in, size 6-8, very slim and toned, small boobs. I normally punt with curvier WG's, but this was a nice change.

The Story:

Nicola has recently left the HOD empire and set up as an indie in MK.

Feeling horny and nothing to tempt me at the usual MK agencies, I browsed AW for independent WG's and was taken with Nicola's profile. Phoned to check availability and ask about additional services such as watersports and strap on fun. Services and time agreed, I was directed to a flat in the Hub, so parked in Sainsbury's (Free for 3 Hrs) and made the short walk to the flat.

After the magic door opened, I was shown the bedroom before asking to use the bathroom. The flat was exceptionally clean and recently decorated.

After parting with my punting tokens, we had a chat about my range of toys before stripping each other whilst kissing. Nicola went down on me (OWO) before we moved to the large bed. After some nice kissing and caressing, she went in for more OWO, ball sucking, and teasing before playing with my ass. After a while, I suggested a 69, so Nicola sat on my face giving easy access to her bald pussy and ass as she continued to play with my ass and suck my cock.

When booking, I had requested watersports, so we moved to the bathroom where she pissed all over me, giving me a proper drenching.

On returning to the bedroom, Nicola donned my strap on and fucked my ass nice and hard whilst I indulged in plenty of poppers. After I could take no more, she gave me another BJ and asked for a warning when I was about to cum as she doesn't do CIM. Ended up covering her boobs in man paste.

After a clean up and shower we had a chat about the HOD empire, and the current coronavirus situation before I went on my way home.

I would definitely punt again with Nicola, she delivered all services and IMHO future punts would be even better.
