The Lady:

Lean Brunette, petit, 5'7", English/Canadian white in her thirties. Photos taken a while back and may be slightly altered. Pretty face, lovely legs, arse and tits. I would describe her as a mature 30 something.

The Story:

I was given the choice of four ladies and Pixi stood out as she was clearly the fittest and had a nice tight petit body. When she greeted me she had an interesting accent which may have been northern/Canadian. She did sound dirty though so I knew I was going to be in for a treat. Pixi was very pleasant and easy to talk to. I took a shower and she returned to the room and stripped of what little she was wearing. Pixi has lovely legs and arse and nice petit tits. She gave me a massage and concentrated on my balls stirring me into action. I turned over and asked if I wanted her to suck my cock. No hesitation from me with her dirty sounding voice I was eager. She spat on my cock and rubbed it in. She is so dirty. She deep-throated (OWO) me good and kept spitting on my cock which was so dirty and such a turn on. This went on for quite some time as it was so good and filthy. She then said to me "Time for you to do some work", and got a condom out and deftly put it on me and gave me some more sucking to get me hard. Pixi got on all fours so I could fuck her doggy style. The view of her arse and her filthy voice really got me going. Pixi has an amazing ask if only she offered A-level I would be in heaven, it looks like an untouched tight pink arsehole. After pounding away for a good while she moaned and came. I asked her to go on top and she reversed cowboied me. We were at it for some time and Pixi was aware that time was running out. She told me she keeps getting into trouble for going over time. She asked me what I wanted and I asked to cum in her face, which she agreed to as long as she could keep her eyes closed. She started playing with her clit and talking dirty while I wanked myself and soon I was ready. She moved her face forward and started to suck my cock. I shot my load into her mouth. She apologised for forgetting to let me come in her face. I was not complaining. Showered and said our goodbyes. Great punt!
