### The Premises:

A flat in a relatively new block near Wardown Park, off Old Bedford Road.

### The Lady:

she is an English trans woman in her late 40s, slim, small boobs, cock about 6 inches.

### The Story:

I've seen her for a while over the past few years, but this time wasn't as good.

I usually go in for anal play but this time a toy got stuck up there. i was kind of fretting because i didn't want to go to the A&E and get it removed.

I was in the throws as it were and didn't realise it got stuck, but then i was a bit disappointed since she tried little effort to help me get it out despite her causing this.

usually, the sessions go well, but this time not so much. I guess it could have been a mistake, but then one that could have spent time in the hospital for an embarrassing reason.

I did manage to get it out incidentally.
