The Premises:

A ground floor flat about 10 mins walk from Liverpool Street station.

Fairly clean inside, with a rear shower and bathroom.

The kitchen/bathroom is at the back of the flat, with the bedroom in the middle, and the living room in the front.

The Lady:

Patricia is a Mediterranean TS lady, about 30, and said she's from Italy and lived in Spain. Her English is excellent, and her skin, body, boobs and prick are all nice looking.

The Story:

She was pretty welcoming, and after showering a little, we got down to business.

She has beautiful skin, and she would be completely "passable" (to use the phrase) if seeing her in the street or any other public place. It would be hard to tell that she is trans and not a genetic woman.

We kissed a little, and her skin and penis felt good to touch. She gave me some oral, and then moved on to some sex and toys. I fingered her arse briefly, and then she fucked me with her cock well.

The session finished with me wanking with her fingering my bum and it was very satisfying overall.

Once the lockdown ends, visit this babe if you're in central London, since she's well worth it!
