### The Premises:

Carla works from a very small cluster house in one of the modern neighbourhoods of Bedford. Parking is on street outside, and free. Relatively discreet and easy to find. Inside, it's very basic, and clearly her residence. Not the tidiest of places, but remember you're not visiting to admire the decor.

### The Lady:

Carla is a white, British lady standing 5'7" tall with a well proportioned size 14 figure. Her stand out features are a lovely pair of breasts and soft, unmanicured pubic hair. Facially, she has a slight look of Drew Barrymore about her, and smiles easily. She has a natural look, and presents "as is". You won't find a heavily made up lady, in fact she's makeup free, but you will find a friendly, ordinary girl.

If you want stocking, suspenders, and fine lingerie then you will be disappointed. When you meet Carla she will most likely be wearing jeans and a top. As she undresses infant of you, the underwear comes off quickly, and probably won't match in any case. Carla is more than show.

### The Story:

I've seen Carla many times!

The PROS of Carla are lots of French kissing, sensual oral without and gracious cum in mouth (though no swallow). Her breasts are fantastic, and as with everything to do with Carla, all natural. There is no evidence of any grooming ever taking place downstairs, and her pubic region is soft, clean and a nice unique selling prospect. Carla is very generous with her affections, services and time. Forget the "cum once and go" merchants, with Carla you get all your time and more, and if you can keep coming, Carla keeps going. Sex is covered, and Carla feels delightful. No extras are offered, and everything on her likes list is included. Her fees are very reasonable, especially when she has her frequent "make me an offer" promotions.

The CONS of Carla, are not cons as such, but more about how she positions herself in the market. Things you might expect, like lingerie, stockings, etc. are absent. The services she provides she provides exceptionally well, but the list isn't exhaustive. For example, no anal play of any sort, and although Carla is a smoker, doesn't provide a smoking fetish service. (I have visited when clearly a

lot of smoking had been taking place prior to me arrival.)

Carla is what she is, and no more. You won't get the fantasy, the role play, the high-class luxury experience and while Carla is more than capable, she chooses not to present as such. Instead, Carla is a genuine girl, gifted in her profession, providing a great service for a good price. Provided you are good with the limitations here, Carla is a very easy recommendation.
