The Premises:

Easy to find & Park , but what a mess, she uses her front room and house is very dirty to say the least, no shower offered.

The Lady:

She is mediocre and a smoker which is not on her AW profile late thirties at a guess.

The Story:

AVOID- Reviews seemed ok having checked prior to booking . Arrived a few minutes late which was accepted. My request was half hour with her two extra charges CIM & A level. Everything else is apparently included. She offered to recieve WS (not done) as well but is not advertised . On arrival R was not ready after requesting something appealing to the eye , etc. She was in jeans, fully clothed and smoking away. No welcome hug etc or offer of shower , quick request to immediately sort paperwork, why I did not leave at this point I don't know. But did paperwork , she then disappeared and wandered around the place for a while. Once back she stripped off to undies & a dressing gown. R then disappeared and put a pad on ? Never mentioned in communication she was on monthly. Which is most likely ok as I requested other things. Down to business after a lot of her wasting time . The TV was on and she was watching it periodically while giving OWO (Incl) it was worst BJ ever . Guys she does not do DT & does at best a three finger loose grip Hand Job with very little suction. All I got was a messy HJ I had to clean up as R let it happen avoiding CIM which I paid extra for . R was not engaging & desensitised me completely not to mention with a deflated interest. She is a massive clock watcher, big clock right next to TV. Offered to still play with time left, but R did not turn me on enough or have any interest or enthusiasm (Telly again) . I decided to forgo the play with 10 mins left as R was honestly Scruffy . I was then rushed out as another client was coming. Obviously not told the next about monthly on. Still no shower offer just wet wipe option. I asked her to keep payment for time, but refund the extra she did not complete. She said she would if she had it . On arrival she said put in a safe, now it was given to a sitter that was by the window when I arrived (Not seen as 1 raining hard 2 no one there 3 I could see outside during arrival - no one there). She would if she could R said, started making excuses and rushing. I left and as I did she said her next client was delayed. So inconsistent with what she offers, says and does. Go else where guys and avoid being not only ripped off but seriously disappointed. Not sure if R was on monthly period or faking it. Check next day & she is still available (On monthly after saying I am last due to monthly)Her extras don't happen nicely, terrible BJ & definitely clock watcher. A little over priced, make of it what you will. I would not repeat or recommend. It could

have been bad time for R I agree etc etc, but R could have been more upfront and honest from the start about being a smoker and on the period. AVOID.
