### The Premises:

Annabellas flat well documented in central MK location by the car park and shopping centre  
Room was small but adequate and decorated in the usual Annabellas style

### The Lady:

There are lots of photos of Dahlia on the website and on twitter, sometimes with her face blurred, sometimes not.

She looked exactly as I imagined with fantastic tits, she has pretty blue eyes and a slightly eccentric but lovely personality immediately putting me at ease

### The Story:

This was about three years ago so the details are a little hazy but still a fond memory.

Lots of DFK, fantastic owo and 69 where she made the right noises of encouragement, she gave a really good massage and sex in missionary, doggy and cowgirl.

What made it so great though was her ability to talk as if we had been old friends, 2 hours absolutely flew by thankfully as I had wondered why I had decided to book such a long punt on the way over - definitely recommended as you really get a chance to connect but needs to be with the right girl.

Definitely recommended
