Nice clean bathroom with choice of shower gels and towels

The Lady:

Chelsea has caught my eye on Twitter a couple of years ago (she has deleted her account due to being cloned by some

Weirdo!) - I was pleased to find her profile in adultwork and made a booking.

I was surprised but happy to find her even more beautiful than her photos suggest.

It's definitely her in the photos but in the flesh she is slimmer and more beautiful and looks a little younger than I had imagined.

Chelsea opened the door wearing a very nice green bra and panties but these didn't stay on for long

The Story:

Chelsea guides me straight to the bedroom and offered me a glass of water or juice and I accepted the water.

She soon came back and de robed.

She asked me what I had in mind and I said GFE, she offered a nice teasing massage to start things off so I undressed and laid on the bed.

I should point out here that Chelsea doesn't usually offer a full GFE and only offers this when she is in the mood, it's worth checking her profile to see when this is in offer. Normally she offers massage with hand relief at a reduced price.

The massage was amazing with lots of body to body, light stroking and the occasional lick of my balls. She is definitely well skilled with massage and it would be foolish to see her and not experience this.

Chelsea has a fantastic figure and I was dying to taste her beautiful pussy. I asked her to sit on my face which was met with a very enthusiastic yes.

She did taste as Good as I hoped and she seems to really enjoy it wiggling and grinding away and giving plenty of vocal encouragement.

Afterwards we lay embraced with lots of DFK and chatted to get to know each other. She's very friendly and confident. She seems like a really fun girl, I imagine she would be great fun to go out for a drink with.

I soon got the taste again and moved down to her shaved pussy and started to eat her out again, she was nice and wet. Perfect.

Next she offered to give me some head so I laid on my back and enjoyed her slow licking and sucking owo.

Her technique was great and I was soon rock hard.

She offered to climb on top and I was eager to feel myself inside her.

She enthusiastically bounced up and down and leant forward for some more DFK, we continued in DFK before moving to missionary where I pounded away for as long as I could.

Chelsea is a really fantastic shag and so beautiful and friendly, my only regret is I didn't meet her before.

A bit more cut and time for a shower and the time was up. I think if the time had run over this wouldn't have been a problem but as it happens our time came to a conclusion at the end of the 90 minutes.

If you read this Chelsea it was great to meet you and hopefully see you again
