The Premises:

The Lady:

A white, leggy, English girl in her late twenties. Around the claimed height of 5 foot 8. But heavier and less toned than her photos suggest (she blamed the lockdown). Large, fake breasts that are in proportion to her curvy physique. Nicely shaped with responsive nipples. An attractive but not beautiful almond shaped face with hazel eyes, and full lips. Seemed to be wearing quite a lot of foundation/concealer. No tattoos or piercings. Wavy, bleached blonde hair was quite a bit shorter than in her photos, only skimming her shoulders rather than the mid-back. Overall attractive but not the bombshell I was expecting.

The Story:

I answered the door to be met by a smiling Darcy. She was dressed casually but her clothes clung to her curves and gave a tantalising suggestion of what lay beneath. I invited her in and we spoke briefly to introduce ourselves, Darcy was confident and friendly and quite a talker. Keen to get to the action I asked about her services. Everything but A she said. I moved close to her on the sofa and we kissed. Light French to begin with but as our hands explored each other the kissing became more passionate. I led her to the bedroom and we undressed. Darcy lay on the bed and encouraged me to join her. We resumed kissing whilst Darcy stroked me to attention. She then moved down my body and started to give me a long, slow blow job. Plenty of shaft and ball licking and deep sucking. I could feel the sap rising and asked if I could CIM. Darcy kept sucking whilst I came. I held the back of her head and gently thrust as I filled her mouth. Darcy retired to the ensuite to spit it out.

Rejoining me on the bed Darcy chatted freely whilst I stroked her body. Seeing that I was getting aroused again she asked if I wanted a second round. I asked for more oral and Darcy went down on me once again. After a couple of minutes of sucking she asked if I was ready to enter her. She applied the condom and some lube and then lowered herself onto me. As she ground up and down she lent forward and we kissed passionately. Mouths wide and tongues pressed hard against each other. The sex was passionate and uninhibited. I came again as we continued kissing. Darcy unmounted me and I was pleased to see how wet she was.

My time almost over Darcy cleaned herself up as we chatted. Once dressed I saw her to the door. She said godbye with a hug and a kiss.
