The Premises:

Didn't get inside as it was a scam.

The Lady:

Great photos - but didn't actually see her in the flesh.

The Story:

Avoid at all costs!

After multiple text messages, I was stupid enough to pay a deposit by bank transfer (I know... I know...)

Needless to say, it's a scam.

On my way to the meet, she texted me asking me to pay the rest of the fee by bank transfer.

When I said I would pay in cash, her tone changed completely.

I got to the given postcode and she texted to say she was out.

More worrying still, as I left I was chased by a bloke on a motorbike - damaged by car, took photos and demanded money. I'm not 100% sure he is working in partnership with the WG, but it seems likely!

Stay well away!

She has been working in Stoke, Solihull and Warwickshire in the last week
