The Premises:

The premises are a walk up the stairs above a computer shop, with its own discreet entrance. I parked in a side street nearby, no problem. The house itself is clean and well-kept, with fresh towels supplied and a comfy bed. The room I was sent to had a shower AND a free-standing bath. Couldn't ask for more.

The Lady:

Drop-dead gorgeous. Age? 30s I suppose. I can't tell any more. This girl has everything. What a lovely arse (she told me she thinks it's too small--- Huh!)
Lovely breasts, great legs, a winning smile, a good attitude, and a friendly manner. And an (almost) cut glass perfect English accent. Think BBC World Service vintage 1970. Very classy. Just like me!

The Story:

I was early, so I was already stripped to my boxers when she knocked on the door dead on time. She was wearing a basque sort of thing, and she immediately asked if I would like her to remove it. I didn't have to think very long. She stripped naked except for a pair of black hold-up stockings. We stood and caressed each other for a short while and then she suggested moving to the bed. She asked me how I liked my oral, with or without. That didn't take a lot of thinking about either. In no time we were at it, 69-style. Getting her to cum took a little while, and she appreciates it if you are gentle with her. Tongue and lips are ok, but no fingers or teeth. Oh, and she loves to have her arse squeezed.

After her climax she was able to concentrate on me. I'm pretty slow to cum too, but she persevered and eventually it happened. She discreetly spat it out onto a tissue. Which is a shame, I like to snowball.

In summary she is a lovely girl. Beautiful, classy and intelligent. Don't expect her to be especially affectionate (meaning kissing) until she knows and likes you. Frankly, I respect that. I will certainly see her again, in fact I can hardly wait.
