The Premises:

Usual flat near Sainsbury's, quite easy to get into.

The Lady:

5 foot 4 skinny Asian with nice small breasts, long hair and nice light natural makeup nothing caked on in her early thirties, stats on profile are accurate. She came in wearing a one piece that I quickly removed.

The Story:

I hadn't seen Apple in a while, which was my mistake as I had forgotten how good of a service she gives.

We started off both naked, kissing and groping each other, after a time moving to what I came for Apples excellent OWO, for me no one sucks my cock as well as she does, after a prolonged round of sucking moved on to sex in multiple positions, followed with more fantastic cock sucking then cumming in Apples mouth, which felt divine.

After cleaning up, Apple gave me an excellent massage, before turning me over and having a prolonged session of DFK before apple wrapped her lips around my cock again. We then carried on with some more sex before more OWO with another excellent CIM finish.

In summary this girl from the minute she walks in never stops pleasuring you until you say your done. If you want someone that will look after you and provide everything on her profile with enthusiasm look no further.
