The Premises:

Neat and tidy ground floor apartment right near the shopping centre in MK. Easy parking anywhere nearby. The room is spacious and comfortable.

The Lady:

Jamiee is one of the prettiest girls I have met through HOD / Annabellas, a genuine stunner. Gorgeous dark brown eyes, waist length dark hair and a beautiful smile. Jamiee has a stunning body as you can see from the website / Twitter / OF etc and she looks (and feels!) amazing in person. She is also really easy to be around, very relaxing and chatty, which makes being with her a lot of fun.

The Story:

Shown to the room by the (strikingly good looking!) maid and Jamiee was with me a few minutes later. She looked stunning, wearing pretty blue underwear and stockings, I was taken by how pretty she was also. We had a kiss and cuddle as we chatted and introduced ourselves. Jamiee undressed me and laid me back to treat me to some amazing slow OWO, keeping eye contact, which was really sexy. We then swapped so I could repay the favour - what a view! Jamiee seemed to enjoy me teasing her a little too. Jamie then climbed on top of me and the sight of her riding me will stay with me a long time! I had to steal a kiss of Jamiee's perfect boobs too. She then spun round so I could enjoy the view of her lovely bum as we fucked. Jamie then lay next to me and with a combination of more amazing OWO and her hand, I had an amazing, extended climax and came in her mouth. What a treat! It was an absolute pleasure to meet Jamiee - a gorgeous, friendly, delightful lady with a body to die for. I can't wait to go back, maybe next time for a due with Jess - I'm not sure I'll know where to look...
